

## ICF Needs New Retaining Walls

**We Can't Wait Until the Walls Collapse and cause damage to our Masjid.**

**Help us replace the walls NOW!**

The entire project will cost approximately \$100,000. However, we hope to accomplish repairs in three phases.

*Phase 1: Replacement of the wall at the street entrance will cost \$16,000 and is scheduled to start on 1 October 2025.*

**Please Donate to Phase 1.**

**Thanks in advance!!**

**Insha'Allah Additional Fundraisers will be held through each phase until all walls are replaced.**
